stables on Madison avenue would be

the forefront. Little by title these rich men coalesce and become corpo-

What subject so popular as the ridicule of Gould, Vanderish and their gers." This is a queer world, coworkers. The Daily Graphic has made Vanderbil's mutton-chops as familiar to New York readers as say, but I do wish they wouldn't paper can read the elequent lines in the Graphic, in Pack and in Judge. Just as c rtain as fate these pictures are the signs of the times. There is a

the feeling of security born in reliance on the potency of wealth.

Will trouble come?

Not to day, but it will come? This isn't the first year of the human race.

Men of to day are very much like the second of t Men of to day are very much like the men of yesterday. Fortunate y nature has a little something to do with

believe Our California friends found it convenient to pack their Lares and Penates and bring them from San Francisco to New York. Why? Because they had strained the patience of their fellows to the very last. We have hosts of just such hus. Our coroner's juries are becoming bolder. Heretofore "criminal negligence" was an "act of Divino Providence." have no idea that Vanderbilt will be tried for manslaughter just yet Nevertheless the verdict of the cor oner's jury imputes to the manage-ment of this road "criminal negli-gence." The water boy and the telegraph operator, expected to perform the delicate and onerous duties of

four men, we also prosecuted, and I dare say they will be tried in due In countries where malaria is prevalent, or where the climate is subject

ing of Penn. at Chester, Delaware county, in 1682-3, and the second mill at German town Pents and the second mill at Ge mill at Germa town, Philadelphia county, in 1863 or 1864. In his "restimony," delivered about the year 1727, he described the situation of affairs in Pennsylvania upon his arrival in 1632, and said: "Af er some time I set up a mill on framed from Lord in, which served for grinding corn and sawing of boards, I settled my tract of land, which was about a mile from thence, where I set

up a barn and a corn mill, which was But there being very few horses, peo. Undertakers, ple generally brought their corn on their backs many miles. I remember 218 14TH ST., BET. FARNAM AND one man who had a bull so gentle that

he used to bring the corn on his

This mill was worked by the flow of water from a great pond fed by a branch of Wingohocking creek. It was about a mile west of the main Walk up Fifth avenue and stroll down Madison avenue. What do you lane called Millane, afterward Church see? Houses? Nonsense - pylaces, lane, and now Mill atreet, and was Unique in design, unlike anything near the intersection of that lane and seen or heard of in all the world, are the Limekiln road. At the time of these huge piles of granite and of the battle of Germaniown the mill brick. Well, what of 11? A great was known as Lucht's or Likens' deal! First of all, I believe we are living in an era of exceptional prosperity. Everybody is making money or losing it. Everybody in trade is doing well. Protessional men are especially fortunate. Stock gaublers and ratiroad shatks coin fortunes yearly. The men we meet in office and ly. The men we meet in office and eris, the last occupant who used it for park, the men we encounter profes. In lling operations up to within a very sionally or socially; the men we see in recent period. As R berts' mil the the theater or church, are easy in their building was known for fully half a

want to know about her marriage? The flat boat of the old Commodore and the bar room of his faithful help policies of \$3,000 each on her, and I'm anxious to know if I'll get my money." 'Does she know of this? "Oh, no. That isn't necessary. Any body can take out a policy on anybody else. If you know of a young lady that rate. Banded together they are akin is engaged and will not marry within five months from the time you take perhaps double that on the young lady I asked you about." "How does the company make its money?" "I suppose it bets on the finleness of the young folks. No policy will be the contrary, in many cases they are reduced. Wages don't go up Neither does the pay for a day's work.

Look at our illustrated papers. taken out. There are very couples, months to marry, If they do, five months of engaged life is full of dan-

Proof Every where-

If any invalid or sick person has the Tweed's were. I remember Tweed least doubt of the power and efficacy saying once: "I don't care what they of Hop Bitters to cure them, they least doubt of the power and officacy can find cases exactly like their own print those pictures." Everybody in their own neighborhood, with proof sees the pictures. Even the poor positive that they can be easily and poritive that they can be easily and evils who can't afford to buy a penny permanently cured at a trifling costor ask your druggist or phys lician.

The Same Old Lie. The Whitehali Times tells a good growing feeling here that under the story of a straight laced and modest present system the rich are getting collegian whose older sister called to nicher fast and the poor are getting see him at his rooms. An elderly poorer fast. It our wealthy men gentleman called who had occupied the could be induced to do good with same room 53 years previously. To their money this feeling of hostility avoid any talk among the boys the might be averted, perhaps. But young man put his sister in a closet t what do they do? One spends fortunes wait till the close of the visit. The in fast horses and consorts all his idle old man came in, saying, after the time, hours daily, with stable men, usual greetings: "The same old view hostlers and jockeys, races on the road every afternoon and "exhibits" same old view. The same old pictures day of his life. Another emulates his example. Others seek the the frames; "and I declare, the same dissolute of both sexes. Not one of old sofa. D ar me!" Next he walk-them has done or is doing one dollar's ed around the room, stopping at the worth for the people or the city, fireplace, "Same old mantlepiece!" Added to this are the outrages perpe- Then he got to the closet and turned trated daily, some the result of "crim- the handle. "Same old -." He had inal negligence," some the normal out- just opened the door when he caught come of disregard of the rights of the flitter of a petticoat, and suddenothers, and all the natural result of ly closed it. "At!" says he shaking

Given Away.

ture has a little something to do with as yet. Death steps in now and tnen and removes an irritant. That makes things easy for awhile, especially in accumulations divided up and scattered. Wise men note these signs of the times. They are significant and should not be diaregarded. That those more interested will care I don't believe. Our California friends found.

The Agontes of Billious Colic, the hable, may be cer at a v ave d d by regulators thosy-tem with that agre able and refr-Thing tandard resparation, parrage setzer speciont PROCURABLE AT ALLI REGGISTS.

COL. L. T. FOSTER.

Voung-town, Ohio, May 10, 1886.

Dr. B. J. KENDALL & Co.—I had a very valuable Hambietonian coit that I prized very 'lighly, he had a large bone spavin on one junt and a small one on the other which made him very lame; I had him under the charge or two voter-thary surrooms which falled to cure him. I was one day reading the divertisement of Kendall's Spavin Cure in the Chicago Express I determined at once to try it and gut our crurg stancer to send furit, and they ordered tures bottles; I took all and I thought I would give it a thorough trial, I used it a cording to direct ins and the fourth day the colt ce sed to be lame and the imm s have disappeared. I used hu one bottle and the colt's limbs are as free of impre and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I have lettwo of my neighbors have the remaining two bottles who are now using it.

Send for illustrated circular giving positive proof, Price 21. All Druggists have it or can get it for you. Dr. B. J. Kendall & Co., Provinctors, Enceburgh Falls, Vs.
